

Family Access empowers parents and/or guardians to view school-related information anywhere they have access to the internet.

Just go to **Amarillo Independent School District** homepage

<http://www.amaisd.org>

Scroll to the bottom right of the page and click on the red icon for Skyward Family Access.

The first screen will allow you to log in if you have your username and password.

If you do not have this information please contact Ashley Clem at Lawndale Elementary (326-4700) to get this information.

After you log in you will have real-time access to the calendar, grade book, attendance information, student information, schedule, discipline and health information.
